

The map displays a large, irregularly shaped area highlighted in yellow, indicating a specific zone of interest or a planned development. This area is situated north of a well-defined urban grid. The grid consists of numerous streets, many of which are labeled with numbers (e.g., RUA 10, RUA 20, RUA 30) and letters (e.g., RUA A, RUA B). Notable street names include 'AVENIDA DAS PALMEIRAS' and 'AVENIDA BRASIL'. To the right of the yellow-shaded area, a blue line traces a path along the edge of the land, likely representing a body of water or a natural boundary. The map is framed by coordinate markers: -57°29'30" and 28°00' at the top, and -57°27'57" and 28°00' at the bottom.
