

The map displays a network of streets in a city, likely Rio de Janeiro based on the names. A prominent feature is a large, irregularly shaped area outlined in bright yellow, which encompasses several city blocks. This area appears to be the focus of the document. The surrounding streets are labeled with their names, including RUA MARANHÃO, AV. SÃO PAULO, RUA COPACABANA, and AV. COPIACABANA. The map also shows other smaller streets like RUA ALVARO DE CARVALHO and RUA ADRIANO TEIXEIRA. The overall layout is a typical urban grid pattern.
