

This is a cadastral map of a specific urban area. The primary focus is a large parcel of land highlighted with a thick yellow border. This parcel is irregularly shaped, extending from the top left towards the bottom right. Within this yellow-outlined area, there are several smaller rectangular plots, some of which are labeled with street names like 'RUA VITORIA', 'RUA PORTO ALEGRE', and 'RUA NACIB ANISIO'. To the left of the main yellow parcel, there is a network of other streets and smaller parcels, including 'RUA FRANCISCO BENDIC' and 'RUA JOAQUIM SEBASTIAO RODRIGUES VIEIRA'. At the bottom left, a grid-like pattern of streets is visible, with one labeled 'R BARAO DE RIO BRANCO'. The map is framed by four coordinate labels: '-50°34'41"' at the top-left and bottom-left corners, and '-22°24'03"' at the top-right and bottom-right corners. A red alphanumeric code '353550705000008' is positioned at the very top center of the image.
