

The map displays a large, irregularly shaped plot of land highlighted in yellow. This plot is situated within a residential neighborhood characterized by a network of streets and smaller, rectangular lots. The yellow boundary of the plot follows a path that starts near the top left, moves generally south and east, and then turns back towards the top right. The surrounding streets are labeled with names such as 'RUA ANTONIO DE CARVALHO', 'RUA ANTONIO DE CARVALHO', 'RUA ANTONIO DE CARVALHO', and others. A blue line, likely representing a river or stream, flows through the area, passing near the yellow-shaded plot. The map includes a coordinate grid with latitude and longitude markings, indicating the location of the plot within a specific geographic area.
