

LAGOA CIDREIRA

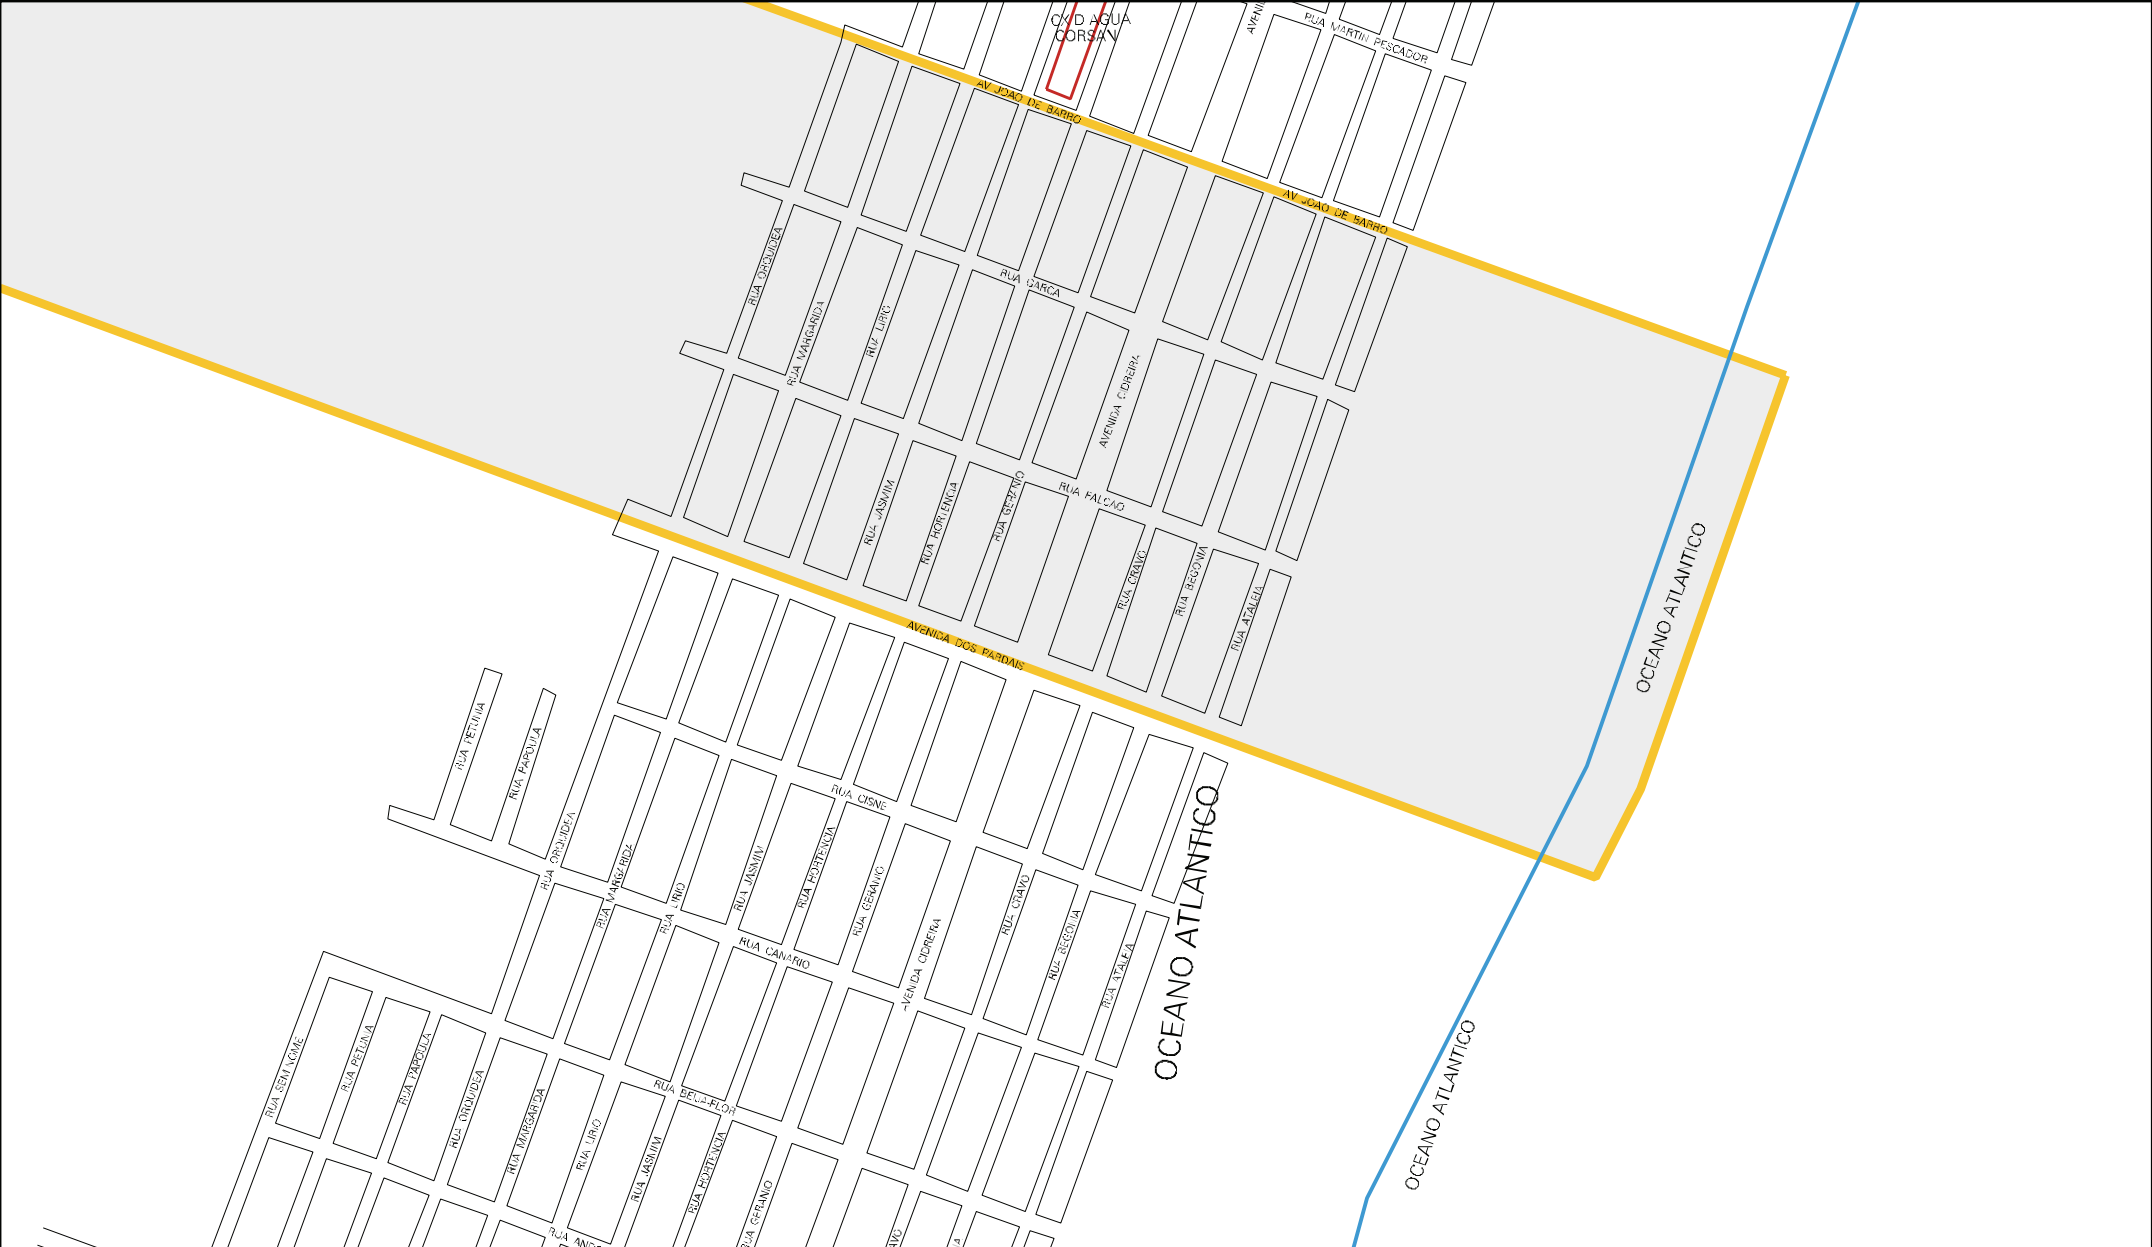

The image shows a map of Lagoa CIDREIRA. A blue line outlines the lake's perimeter. A yellow-shaded area is bounded by a yellow line, starting from the left edge, going down, then up and right, crossing the blue boundary, and then down and right to the bottom edge. The text 'LAGOA CIDREIRA' is printed in two locations: once inside the blue boundary in the upper right and once inside the yellow-shaded area on the left.
