

LAGOA CIDREIRA

The image shows a map of Lagoa CIDREIRA. A blue line, possibly representing a road or a boundary, runs diagonally from the bottom-left towards the top-right. A yellow line forms a boundary that follows the top and right sides of the lake, with a sharp peak on the left. The area between these lines is shaded light gray. The text 'LAGOA CIDREIRA' is printed in three locations: once above the yellow boundary, once inside the shaded area, and once below the yellow boundary on the left side.
