

The map displays a network of streets in a neighborhood. A large, irregularly shaped area is highlighted in yellow, representing a specific project or zone. The streets are labeled with names in Portuguese, such as RUA VILHENA, RUA DO CARVALHO, and RUA DO CARMO. The map is oriented with North at the top, indicated by a north arrow in the top right corner. The yellow area is bounded by several streets, including RUA VILHENA to the north, RUA DO CARVALHO to the east, and RUA DO CARMO to the south. The area is further divided by internal streets and alleys, some of which are also labeled. The map is a technical drawing, likely a site plan or a map for urban planning purposes.
