

A detailed street map of a neighborhood in São Paulo, Brazil. The map is oriented with North at the top. A large, irregularly shaped area is highlighted in yellow, representing a specific zone of interest. This yellow area includes several streets and landmarks. To the left of the yellow area, there is a large, light brown shaded region. To the right, the map shows a dense grid of streets and various landmarks, including a river (Rio Bananera) flowing through the area. Key landmarks include a church (Igreja Santa Teresinha), a school (Escola), a club (Clube D. Pedro II), and a stadium (Estádio). The map also shows a network of roads, including a main road (Avenida) and several smaller streets. The map is bounded by coordinates: 43°50'00" to 43°47'40" longitude and -20°38'59" to -20°40'21" latitude. The map is a vector-style illustration with clear lines and text labels for streets and landmarks. The yellow highlight is a thick, solid line. The light brown area is a solid fill. The river is a blue line. The streets are thin grey lines. The landmarks are represented by small icons and text labels. The map is a detailed and accurate representation of the neighborhood's layout and features.
