

This is a detailed cadastral map of a residential area in Curitiba, Brazil. The map shows a network of streets and lots, with a large yellow polygon highlighting a specific area. The map includes a coordinate grid with latitude and longitude values. The streets are labeled with names, and the lots are numbered. The yellow polygon is located in the upper right portion of the map, extending from the top edge towards the center. The map also shows a river or stream on the left side, flowing from the top towards the bottom. The overall layout is a grid-like pattern of streets and lots, typical of urban planning in Brazil.

Escala : 1 : 6,256
