

This is a technical cadastral map of a residential neighborhood in Curitiba, Brazil. A large, irregularly shaped plot is highlighted in yellow, representing a specific land parcel. This plot is primarily bordered by Avenida Itacolândia to the north and east, and Rua Guarani to the south and west. Within and around this main plot, there are several smaller lots, some of which are also shaded in light beige. The map shows a dense network of streets, including Rua Curumata, Rua Parati, Rua Tapajós, Rua Libratão, and Rua Jaguaré. Various street names like Rua Urucui, Rua Paranaíba, and Rua Tupy are also visible. The map includes precise geographic coordinates at its corners: top-left (-42°58'03" W, -22°55'05" S), top-right (-42°57'16" W, -22°55'05" S), bottom-left (-42°58'03" W, -22°56'07" S), and bottom-right (-42°57'16" W, -22°56'07" S). A scale bar at the top indicates distances up to 58 meters. The map is labeled with various street names and lot identifiers, providing a clear view of the urban layout and the boundaries of the highlighted property.
