

The map displays a network of streets in a residential or commercial district. A prominent yellow-shaded polygon highlights a specific area, likely a plot of land or a designated zone. The streets are labeled with their names in Portuguese. The highlighted area starts near Rua Riquinho Bocanava at the top, goes south along Rua Gaspar and Rua Ilhota, then follows Rua Água Doce and Rua Pritzker, continuing down Rua Proença and Rua Recife. It then turns east along Rua Brusque and Rua Botuverá, ending near Rua Osvaldo Cruz. From there, it goes north along Rua Doutor Pedreira and Rua São Bento, following Rua Maravilha and Rua Treze Tilas, then Rua Libramia and Rua Expedicionário Alvin Loppinow, before reaching Rua Aracuaí and Rua Messa São João de Patrocinio, which connects back to Rua Riquinho Bocanava. Other streets shown include Beco Palhoa, Rua Gustavo Góes, Rua Otto Woltur, and Rua Osmundo Buss.
