

The map displays a residential neighborhood with a grid of streets. A large, irregularly shaped area is highlighted in yellow, representing a specific land parcel. This area is bounded by a thick yellow line. To the west and south of this area, a blue line represents a river, likely the Rio Itaipava. The map includes a coordinate grid with latitude and longitude markings. The yellow-shaded area is situated in the upper right portion of the map, adjacent to a river. The streets are labeled with names, and the overall layout shows a typical urban grid pattern.
